

## National Pajero 4x4 Club of Australia Inc.

### Club Charter, Aims and Rules

After the overwhelming success of the Facebook group “Pajero 4x4 Drivers of Australia”, founded by Randal Cox in 2012, the National Pajero 4x4 Club of Australia Inc. was created in 2017, to take advantage of the benefits that a legally registered Club can gain; bringing like-minded Pajero and 4WD owners together for regular meetings within each state, for social events, sausage sizzles, day and weekend 4x4 trips and more!

The Club fosters an environment where members can share knowledge, modifications, exchange ideas and learn from new techniques to improve both their vehicles and 4wd skills.

Through sister sites on Facebook, the Club itself is allied with similar minded Facebook Pajero clubs across Australia, making our knowledge base the biggest in the country.

### Club rules

1. Bullying of members will not be tolerated.
2. Abusive language towards other members on club runs/meets will not be tolerated.
3. Vehicles will comply with the relevant state laws and guidelines of which state the member resides.
4. Vehicles attending Club events are expected to be kept in roadworthy condition, as well as being registered and insured in the state of which the member resides. Failure to comply with this rule may result in the Club refusing to allow participation in an event.
5. Adherence to state alcohol consumption and limits whilst driving will be enforced.
6. Consumption of illicit drugs is strictly prohibited at Club events. All drivers are expected to have no trace of illicit drugs in their system whilst operating vehicles at Club events.
7. Drivers will adhere to local authority rules/regulations regarding track closures at all times.
8. Any action by a member that brings the Club, members and/or its associates into disrepute, or has a negative impact on the Club, members and/or its associates, will not be tolerated.

### Club information

The Club has an exclusive members-only Facebook group where Club information, upcoming events, meeting dates and minutes are posted, plus some awesome general chit chat! To join, simply visit <https://www.facebook.com/groups/national4x4/> and answer the membership questions. Based on your answers, an Admin will approve your request.

As this club is National, with a member base across the country, our monthly meetings are held online using Microsoft Teams. You can either download the teams app or use the website, just click the link posted monthly to our members only facebook page to join the meeting. Please only use first and last names, not nicknames, so we can authorise you to join the meeting. The use of nicknames or screen names will result in you not being granted access to our meeting on Microsoft teams.
